Tunisian Golang Community First Meetup

Awatef Riahi

Software Engineer

Co-organizer
Golang Tunisia

Go is an open source programming language that makes it easy to build simple, reliable, and efficient software.

We are an interest group revolving around the Go language and its application.

Our Team

Heithem Moumni

Elliot Forbes

Senior Software Engineer

Saturday
6 June at 5:00 pm

Talk:

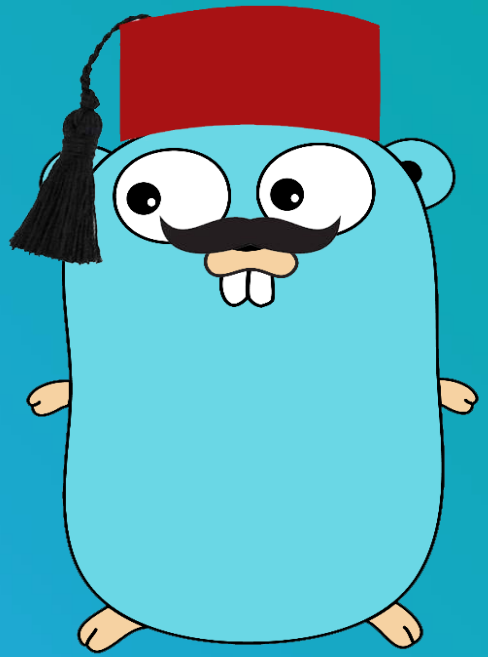
How to Build Highly Scolable REST APIs
with Go and AWS Lambda

Elliot Forbes - Senior Software Engineer from UK working on building Cloud Platforms. In his spare time, He write and record Go tutorials for his website TutorialEdge!

Meher Assel - Cybersecurity enthusiast, Software engineer, and big go lover, been writing Go daily since 6 years, and spend the last 2 years working with EDGE Network, a highly distributed cloud provider owned by everyone. He is also a Technical Lead at Think-it

Krishna Chaitanya (K.C) - work as DevOps and SDE for Yombu. He was a python developer but Go made him fall in love with it. He has been working with Go now for 2+ years.

Antonio Troina is a London based software engineer, born in Italy and raised amongst computers. Passionate Gopher since 2015, eager attendee of meet-ups and conferences, LondonGophers co-organizer.



Thank You
